**IMPORTANT MESSAGE**

The Breastfeeding Committee for Canada has removed the following document from this website:

*The Baby-Friendly Initiative in Community Health Services: A Canadian Implementation Guide.*

Hard copies of this document are also no longer available.

The BCC's BFI Assessment Committee is working on revisions to the materials in the document and will advertise their availability on our website as soon as they are ready.

For information on the BFI in Community Health Services please refer to the BCC BFI Practice Outcome Indicators posted under the Baby-Friendly Initiative tab on this website.
